League Secretary's Report

2021-2022

Ladies

We have managed to complete a full season, despite some challenges, with COVID 19 still having an impact! However, I am pleased to say that in the circumstances, disruption was minimal.

A massive thank-you for your co-operation throughout the season.

We did have some issues with adherence to Rule 4 – Health and Safety and want to remind clubs that this is for the safety of all participants.

Apart from courts 10-12, there is adequate room outside the courts for spectators to view the games.

Teams are scheduled to play across all courts, so there will always be opportunities for friends and family to see you play on those courts where this is possible.

We are hopeful that COVID 19 will have a reduced impact on the upcoming season, and we look forward to this.

I want to congratulate all the winners and runners-up, and commiseration to those being relegated.

It just remains for me to say enjoy the summer break, and hopefully we will have a full 2022-2023 season.
