

EDI Officer report

The EN L&SE Diversity working group remains in place, initiating and promoting EN Diversity and Inclusion projects. Some of the recent developments from the EN L&SE Diversity working group include actively initiating and promoting various Diversity and Inclusion projects. One of the highlights this year has been the launch of the NetballHer campaign across all counties, which has been quite successful.

Additionally, the Gender Eligibility and Participation Policy has been circulated to counties for review and feedback, with the intention of implementing it at the start of the 2025/26 season. The Essex Met committee have raised some urgent queries, particularly concerning junior league participants. They have requested a prompt response to these questions.
