

Essex Met Junior League Report 2024/2025

I would like to start with a big thank you to all the clubs, coaches and players for making this season possible. We had our largest amount of teams entering the league so far. Also my thanks go out to all of the spectators for supporting the teams every week.

Thanks also, to all of the umpires who supported the league every week. Without you guys the league would not be able to run. We had a high number of Inter Officiating umpires who started their umpiring journey with the junior league and hope to see their progression next season.

We did have to rearrange a high number of matches due to extreme weather earlier in the year but with everyone's support and patience we caught up with all outstanding games.

The girls did their clubs proud with their positive attitude at all times whether they won or lost their match.

Congratulations to all the winners and runners up:

U11 Winners - Essex Open Runner up - Manor Met Green	U12 Winner - AP Saints Runner up - Manor Met Green
U13A Winner - Essex Open Maroon Runner up - Essex Wanderers Topaz	U13B Winner up - Woodford Warriors Navy Runner up - Marshalls Lilac
