EN Updates

Since starting the role in January it has been great to meet so many new people who help to create a great netball landscape in this area. I have really appreciated the warm welcomes, support and guidance over the last few months! A few standout events have been the Easter Netball Youth Camp, visiting all the different netball programmes, and being involved in the league as more than just a player and understanding all the hard work that goes into the running of it. I am looking forward to being more involved in working with the schools, and the performance pathway over the next few months, alongside the start of the summer league!
