Welcome to Essex Met County Netball. **Please read all information carefully** and please go to our website <https://www.essexmet.co.uk/Netball/county-academy-pathway/> to read about the Player Development Pathway and England Netball Managing Athlete Loading. We understand that your child may play more than one sport and during the academic year may have exams, but we wanted you as parents, guardians and carers to think about the commitment your child will need when participating on the first step of the England Netball Development Pathway.

We are excited to announce the upcoming Essex Met County Netball Under 15s screening for the new season. If your child is year 11, she **MUST** be 15 years old or under. Your child **MUST** be 15 years old in May 2026 to participate in the festival and tournaments played next year 2026. No year 11 athletes who are 16 **CANNOT** participate.

Please note we **DO NOT offer time slots** all athletes are expected to attend for the day from registration from 09.30am to 3pm approx. finish

### **Payment Information**

Please note that only one payment is required for the entire screening process. The payment is a non-refundable cost of **£30.00**

### **Final Selection**

We will be selecting approximately 30 to a maximum of 40 athletes to join the Essex Met County PDP Under 15s programme for the season ahead.

All athletes who have returned their registration forms will be notified with further details by Monday 1<sup>st</sup> September 2025 23.59.

**You must reply to confirm your decision by Tuesday 16 September 2025 at 23:59** as we need to offer any unclaimed places to athletes on our reserve list.

**Fee is £30**

**No cash expected and NO LATE entries**

**A non-refundable payment must be made vis BACS transfer by Friday 8 August 2025 23.59:**

Account Name	Essex Metropolitan County Squad
Bank	Santander
Sort Code	09-01-55
Account	77525182

***Please use your child's full name as the reference***

**Emergency contacts on the day of screening:**

Michelle Cox 07985 251235 ----- Tracy Howe 07970 458238

More information please email: [essexmetcountynetballcomms@gmail.com](mailto:essexmetcountynetballcomms@gmail.com)

### **Please note**

Playing Kit for screening day – navy blue or black skirt/shorts and white t-shirt. **NO CLUB KIT, No Nike PRO shorts, COUNTY KIT or SCHOOL KIT Allowed**  
(In the case of religious/cultural reasons leggings are permitted)

Training will be held on Monday evenings indoor at Redbridge for under 15s - excluding half terms. Dates to be confirmed in September 2025

There may be a netball Festival in April 2026. Athletes **MUST ATTEND** as part of the Player Pathway Programme.

Please note that all successful athletes **MUST** be registered via England Netball for Season 2025/2026 either via their netball club, school or parent on Engage

Become a Member on Engage

<https://www.englandnetball.co.uk/membership/become-a-member/junior-member-benefits/>

### **Costs if successful**

The training fee for the year October 2025-May 2026 **is £280**. This includes training facilities, coaching fees, player and parent Psychology sessions, fitness sessions, T-shirt with London Pulse and Essex Met Logo.

### **Important Information -Player Pathway Update**

We want to share some broad updates on plans for the Player Pathway.

### **England Netball**

#### **Vision and Intent**

We all want a Player Pathway that develops and supports the supply of outstanding players into professional domestic and international games, that is made up of a countrywide network of programmes that are accessible to girls from all backgrounds, where the only entry requirement is talent. Achieving this may take time and we will need to continue to make refinements to our pathway model in the coming years.

The changes that have been made to the Netball Super League for next year, with the very best of intentions, are designed to make the game at the top-end even more captivating, to increase audiences, to generate greater commercial revenues, to enable more girls and women to see netball as a professional career and to improve the standards of coaching and support that athletes receive. This in turn will help grow the whole game from the grassroots up. The support the game is able to provide to developing athletes is inextricably linked to the ability of the sport to grow its audience.

Alongside this, we have sought to establish a Player Pathway that balances a number of, sometimes competing, factors.

- the right geographical distribution to enable accessibility
- the right number of athletes on the Pathway to ensure opportunity, whilst also driving up standards
- by ensuring only the most talented athletes are selected
- an affordable and sustainable cost-model

- alignment of the pathway to Netball Super League clubs to ensure that athletes have a pathway into the professional game, supported by both 'Professional' and 'professional' coaches

**Essex Met would like to make it very clear we are not a hub.**

**Once accepted onto the England Netball Player Pathway Programme there will be no flexibility to change your county pathway training sessions day/time. The expectation and commitment will be Monday evening indoor for under 15s training and any other commitments that Essex Met County Netball provide.**

Essex Met County Netball has a very long history of developing England players through the pathway who have gone onto become England Captains, England selectors and England players. We are a county that develops young players not only to play but also learn how to officiate.

Anyone can apply, no one needs to be nominated, we want to promote the game to all.

Good Luck

Yours in Sport

Michelle Cox  
Head Essex Met County Player Pathway Coach
