End of Season Report

This season seems to have gone so quickly. Regional clashes and weather did not help this season.

As usual many thanks to all the secretaries who respond so quickly to my many requests even when I send them out late.

As always please look out for a handout that will be included in your secretaries' pack as there will be important information in there. Please ensure you all read the rules as there are always changes. Also please ensure that you and your emergency contact email addresses are up to date as this is the way all communications are sent.

Congratulations to the winners and runners up from all the divisions and leagues.

Good luck for the coming season and look forward to seeing you all then.

Thanks to the Executive committee for their help and support.

Please be reminded that my email address is m2how@hotmail.com. So any other addresses you have for me please delete.

See you all in September!
